2018 Insect & Disease Committee Field Tour

A group of approximately 30-40 people is gathered in a forest, likely for a field tour. They are standing on a dirt path or clearing, surrounded by tall, mature evergreen trees. The people are dressed in casual outdoor attire, including hats and jackets. The forest floor is covered with fallen branches and logs. The sky is clear and blue. A semi-transparent grey box with white text is overlaid on the left side of the image.
